Mis 70-30-1

Respected Sir,

We, the successful students of the final Ayurveda Vidwath Examination held in April 1930. most humbly beg to bring to ypur kind notice that, after passing the said Examination we applied to the Principal of the Ayurvedic College for permission to undergo the Post Graduate Training either in the said College or in any other Institution such as Ayurvedic College at Madras Or Calcutta recognised by the College Committee. In reply to our petition we received a meme staing that a seat has been granted to us in the Post Graduate Class of the College at Mysore. Accordingly we left our native place i.e. Mangalore and interviewed the Principal at the beginning of July 1930. We were told that he knew nothing about the Post Graduate Course this time; therefore, we interviewed the Vice-President of the College Committee twice or thrice and received no definite reply except his suggesting that we might either proceed to the Private Charathurthy Hospital at Malabar or go home.

In this connection, we beg to bring to yonr kind notice that three of the successful students of the College were deputed one to each of the Ayurvedic Institutions at Cacutta, Malabar and Mysore last year with a monthly scholarship of Rs.40/-, Rs.25/- and Rs20/- respectively. Out of them only the Mangalore student who was deputed to Calcutta appeared to us to have received useful training. The student who is supposed to have undergone the Post Graduate Course at Mysore is and now declared to be eligible for the L.A.I.S. Deploma was given the clerical work mostly in connection with the Vaidya sangha and was never seen working either in the ward, out-patient or Laboratory section of the College. As for the Training given in the private Hospital at Malabar the less said the better. We are only interested in getting useful practical training or her

either in our own college or the lines on which Post Graduate Training is given at Madras and Calcutta, or deputed to the latter Institution as was done last year. We are sorry to say that, though our College prospectus makes mention of the Post Graduate Course in our college, no details of the nature of the practical training have been given and this leaves us in doubt as to whether it would be of any use to us at all to join our College prospectus for the said training, in the absense of a definite plan of work for us for the year.

The students of the Post Graduate Course at Madras or Calcutta undergo practical Training in the various sections of the College namely Medical and Surgical wards Eye department out patient, pharamacy laboratory sections, including their attendance on maternity and post Mortem cases. We therefore most humbly beg to request that we may either be sent on deputation preferably to Calcutta as in last year or that provision may kindly be made for giving us not only a few lectures in Meteria Medica and Therapeutics in our College and allowing us to attend some post mortem cases at Krishnarajendra Hospital and also for enabling the Post Graduate Student to obtain the training ~~of~~ on the lines of the Madras or the Calcutta Colleges as far as it is practicable, under the present circumstances.

We beg to add that we were receiving the Government Scholarships in the Ayurvedic College for the ~~Full~~ period of Four Years.

In conclusion, we once more humbly beg that you will be pleased ly to direct us as to what should we do hereafter with regard~~ing~~ the Post Graduate Training.

From. The Students,
C/O.
The City Harmonium Works,
Ramavilas Agrahar,

MUZRAI.

Muz 70-30-3

With reference to your Official Memorandum No. 325/Muz. 70-30-2 dated 12th August 1930 calling for a report on the petition of Messrs K. Shama Sastry and M. Parameswara Bhatta, Ayurvedic Vidwans asking for facilities to undergo Post Graduate training, I have the honor to forward herewith a copy of letter No. 452 dated 8th January 31 together with its enclosure received from the Vice President of the Ayurvedic & Unani College Committee, Mysore, explaining in detail the various allegations contained in th petition. I generally agree with his views and will only add that the Post Graduate course is one of a practical nature and may be undergone in any recognised institution or under any eminent Pandit recognised by the institution where it is convenient to the students. Moreover no scholar ship is provided for this course and the students were made aware of the same. In these circumstances the students have no real grievance. It may be kindly noted that the tone of their petition is highly improper as rightly observed by the Vice President.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

AM/

Letter No.452 dated 8-1-31 from the Vice President, Government Ayurvedic & Unani College Committee, Mysore, to the Muzrai Commissioner in Mysore

---

With reference to your Official Memorandum No.279/30-31 dated 23/25 August 1930, forwarding the application of K. Shamasastry and M. Parameswara Phatta regarding Post Graduate course, I have the honor to state that the students were informed in Principal's Memo dated 1st June 1930 that they might undergo training at their own cost as no scholarship was available. Copies of the Memos No.949-51 dated 1st June 1930 are enclosed for reference. In the face of these Memos the allegation against the Principal or the Vice President about committing the students to unnecessary cost of coming to Mysore all the way from their place, or evading to give them a definite answer regarding scholarships is quite unfounded and mischievous.

By the way the students express themselves in their application, they seem to sit in judgement over the training imparted in the several institutions, including our own College, wherefrom they passed out. I beg to point out that the tenor of the application is opposed to all discipline and such spirit on the part of students seeking to undergo training at Government cost should not, in my humble opinion, be encouraged.

The Principal's letter No.21 dated 14th October 1930 explaining certain points raised in the petition is enclosed in original.

The petition under reference is returned herewith.
